## Elegance meets natural beauty

Sideboard just cube bold incl. natural stone cover panel

### **The art of the fugue. Lines have never been more beautiful.**

A piece of furniture with expressive, horizontal joints. This creates a refined interplay of joints in every sideboard – whether large or small, high or low – that skilfully divides the fronts and continues over the sides. The slightly recessed high-quality natural stone cover shelf tropical storm sanded with its expressive, diagonally running structures, is framed by finely crafted fronts and sides.
